

## **Clifton Park Halfmoon (CPH) Gators Travel Baseball**

The CPH Gator Elite program was formed to create an environment for high school baseball players to play for a highly competitive summer baseball program.

The goal of the Gators is to design a summer program that gives the ball players in the Shenendehowa School district a competitive place to play. The goal was to compete with the area's top travel teams right from the start.

We are offering a maximum number of games, practices and tournament games in the Eastern New York Connie Mack and Mickey Mantle leagues. When appropriate we will enter the teams in Elite Travel and Showcase Tournaments.

The teams are made up of baseball age 15 year olds and older. Some exceptions will be made for player's age 14 and playing freshman ball based on need.

Players are placed on teams based on prior knowledge of their skill level. The evaluation process includes player history, previous stats and communications with previous coaches.

The Gator's coaches will be paid. The coaches will be selected by the CPH Board based on baseball experience and aptitude. Previous coaches have come from The Albany Twilight League, Collegiate Players, past Shenendehowa Players, and Alumni from the CPH Program.

The Gators also offers a Rec Travel program. These teams will play in the Eastern New York Travel League and is for players that love the game but might not want the higher competitive atmosphere the elite teams offer.

The plan is to play a minimum of 20 + any postseason / tournaments. The season runs from the end of School ball through July.

The Gators will utilize the Halfmoon town park, Clifton Commons and the Shen Varsity baseball field.

For additional please contact CPH Gator's Board

Sincerely,

### **Clifton Park – Halfmoon (CPH) Board**

Bruce Barkevich	Todd Baldyga
Jeff Klahr	Walt Kurzejeski
Dave Waldek	Dave Voce
Jim Douglas	Bill Bishop
